## Advanced Settings (cont'd)

**Modify Password** - Use to change account passwords

The image shows a dialog box titled "Modify Password" with a dark background and orange borders. It contains three input fields: a dropdown menu for "Name" showing "888888", a text box for "New Password", and another text box for "Confirm". At the bottom, there are two buttons: "Save" and "Cancel".

Name	888888
New Password	
Confirm
